Dear Raya:

Copies of the contract should be in your hands shortly, and thank you for returning the unused permissions forms to me. Thank you, too, for sending on the news item and the Marxist - Humanism list.

I think we'll keep the subtitle of the book in abeyance. Something more appropriate than "Marxist - Humanism" may evolve (before we submit) the manuscript for publication. I expect to get to that part of PHILOSOPHY AND REVOLUTION that I have in hand in a couple of weeks.

Incidentally, I have the order for 1,000 copies of the paperback edition and 300 copies if there is a Delacorte Press edition. I'll do my utmost to get the books to Olga Domanski at the earliest possible date before publication.

Warmly,

Richard Huett
