

IN PLACE OF ALT'S "RIGOROUS" DISCERNMENT OF "LONG PHIL. SILENCE"
QUOTATIONS from ALTHUSSER vs. KAMEN

FM p. 35: "Marx's one and only resort to Hegel in his youth, on the eve of his rupture with his erstwhile philosophical conscience" produced the PRODIGIOUS 'ABREACTION'

INDISPENSABLE TO THE LIQUIDATION OF HIS

"DISORDERED" CONSCIOUSNESS"

p. 83: "enslaved (!) thought of the young Marx." Alt's aim: "TO DRIVE THE PHANTOM (Hegel) BACK-INTO-THE-NIGHT."

p. 150: "show him naked in his triumphant and vanquished thought."

LP: "The theoretical revolution which Thesis XI announced is thus in reality the foundation of a new science."

"Not Phil. discourse would go well, said Proudhon, when govt's or would be replaced by that of Academy of Sciences"

"discourse of phil."

"phil. of L."

but L on phil.

Handwritten notes: "Not Phil. discourse", "discourse of phil.", "phil. of L.", "but L on phil."

WHAT WE DO WITH L HAS NEVER BEEN ACHIEVED."

QUOTATIONS FROM KARL MARX:

[Large redacted section with faint text and handwritten annotations]

Freud on dream-thoughts in images
TRANSPERANCE OF PSYCHIC ENERGY
analogous to psychoanalysts' relation to the
utterances of patient. p. 312, in FETISHISMS, for ex.,
THERE IS A DENEGATION OF THE FEMALE'S absence of a penis."

Freudian designation in VERNEINUNG to point out unconscious denial-masked by conscious acceptance, ALT APPLIES BY ANALOGY TO THE PLACE OF IDEOLOGY IN THE SOCIAL-FORMATION."

PROBLEMATI.C. A word or concept cannot be considered in isolation; it only in the th. or ideological framework in which it is used... it is centred on the absence of problems & concepts within the problemati. their presence; it can therefore only be reached by symptomatic reading on the model of the FREUDIAN ANALYST'S READING OF HIS 'PATIENT'S' utterances... the UNCONSCIOUSNESS of the text.

Handwritten notes: "Diachrony", "Synchrony", "Co-occurrence of processes", "Alt's", "p. 312", "Fetishisms", "p. 150"

KM Quotations from other side & FROM P&R .p.73

6/27/1870 KM TO KUGELMAN ON LANGE

CAP., I., p. 367, fn.: "The weak points in abstract mat. of natural science, a science that EXCLUDES HISTORY & ITS PROCESS, are once evident from the abstract & IDEOLOGICAL conceptions of its spokesmen, whenever they venture beyond the bounds of their specialty."

CAP., I., p. 436: "It would be ~~quite~~ possible to write quite a history of the inventions made since 1830

for the sole purpose of supplying capital with weapons against the revolts of the wkgclass."
