My dear Ray:

Thanks for yours of August the  
18th. I shall be glad to co-operate with  
you in dramatizing "The Vengeance of the  
Gods". Just whatever you think, send it  
along and I will give you my best reflec-  
tion on it. Use your head. You have a  
good one.

I certainly like your little  
friend Clara Baron. Tell her to write.

Very truly yours,

Miss Rae Spiegel

Chicago, Ill.

Dear Rae:

I have been trying to find time to go over our dramatization of "The Venegance of the Gods." I have been so awfully busy, and for one while it looked as if I was going to get to go away to Paris for a meeting. I did not get to go but have been using every minute with my work at the office and in preparation of leasing my house getting ready to go into an apartment. Therefore I had not got to work on the copy. It looks now as if I will be passing through Chicago in January and will be able to stop for a day or two. If so we might get our heads together and give a whole day's work to re-making or re-writing the whole thing. I mean if I don't get to do it before that time.

Moving will be such a confusion that I want to get certain writing done here before I start moving and get my psychology all distributed. I want to write an address or a paper on the "Economic Foundation of Race Prejudice." That ought to take several days. I hope to make a good job of it.

When did you say you are graduating from the high school? Best regards to your sister.

Very truly yours,

WP\*VWM
