

## Connexions: Helping you change the world

*Connecting people working for social justice with information, resources, and organizations.*

**Connexions Library** – Online library featuring thousands of articles, books, documents, and periodicals. Learn about the world as it is now – and the visions, struggles, and movements of people working to change it.

**Research tools and indexes** to help you find the best and most relevant resources. Designed to help you find what you are looking for – plus what you didn't even know existed!

**Connexions Directory** – Information about progressive websites and organizations.

**Connexipedia** – An alternative encyclopedia covering the history of movements for social justice and the people in them.

**Connexions Calendar** – An event calendar for activists and rebels. Add your events!

**Other Voices** – The Connexions newsletter: a digest of alternative news and analysis.

**Resources for organizing and publicity** including a news release distribution service.
