## REGENT PARK HEALTH CLINIC ON THE WAY

CLINIC AT 15 BELSHAW WILL BE OPEN DAILY  
AND THREE EVENING A WEEK.

After four years' hard work, the dream of the Regent Park Community Health Clinic is finally being realized. On August 28th a "Wall Breaking Ceremony" to initiate the renovation of three apartments at 15 Belshaw Pl. took place.

Mrs. Margaret Scrivener, MPP, broke the 'wall' officially. Naturally the credit for the success of this project goes to the tenant committee nominated for this project by the tenants of Regent Park. This Health Clinic will be serviced by two medical doctors, six registered nurses, a dentist and a physiotherapist. The dental clinic will operate on a full time basis. Pre-natal, post-natal care, mental health care and home care are also planned.

The Clinic will be open mornings, afternoons and evenings, so that all the members in a family can get the doctors services. An emergency service will be available during the week-ends.

Mr. Boundy, co-chairman of the Tenant Committee for the Health Clinic informs us that:

- after the start, tenants will have an opportunity to elect members on various Boards on a standing system with a retirement plan after a length of service.
- a special meeting of all tenants will be called before the opening of the Health Clinic and a report given by the members of the staff to explain the services of the Clinic.
- "the Grand Opening" will be announced well in advance to all the tenants.
- as far as possible the job openings at the clinic will be advertised in the Regent Park Community News for the benefit of all tenants. Tenants will be given preference

MEMBERS OF THE BOARD OF DIRECTORS FOR THE HEALTH CLINIC WHO PARTICIPATED IN THE WALL BREAKING CEREMONY, AUG. 28 are: N. Tanner, Pres. R.P.C.I.A. E. Ferguson, Co-chairman, M. Scrivener, M.P.P., H. Jackman, Chairman, Father Belway, St. Bart's, and Dr. P. Koppin. R. Boundy, Co-chairman was on holidays. R. Bradley represented O.H.C.

Mr. Boundy emphasises the important role tenants could play in the successful functioning of our HEALTH CLINIC. Three cheers for the members of the Health Clinic Committee and other who helped for a splendid job.

## ROCK ON ATLANTIS

IT'S BEEN A LONG TIME COMING. ATLANTIS TOOK REGENT PARK BY STORM ON SUNDAY SEPTEMBER 2nd. AFTER A DELAY, DUE TO POWER TROUBLES, THE OUT-DOOR CONCERT GOT UNDERWAY WITH DANIEL. DANIEL WAS VERY IMPRESSIVE WHILE PLAYING A FEW ORIGINAL TUNES. THEIR SET WAS WELL TOGETHER AND HAD A LOT OF CLASS. TOO SOON THEY FINISHED AND LEFT THE STAGE. THE LARGE CROWD GATHERED WERE THERE TO SEE 'ATLANTIS'. ATLANTIS IS NOW A LIVING LEGEND IN CABBAGETOWN.

AND ATLANTIS WAS READY TO PUT ON A DYNAMITE SHOW. THEY HAD BEEN WAITING ALL SUMMER FOR THIS GIG. THIS WAS IT!!

"WOULD YOU PLEASE WELCOME ATLANTIS" AS THE MC INTRODUCED THE GROUP. A LOUD APPLAUSE GREETED ATLANTIS, ESPECIALLY AS PHIL & GROUP ENTERED. THERE WAS A CERTAIN PERSONAL FEELING BETWEEN THE CROWD AND THE GROUP MEMBERS. PHIL REALLY MADE THE POINT CLEAR THAT THEY WERE HERE IN REGENT TO DO A SHOW BECAUSE THEY WERE REGENT PARKERS AND WANTED TO BE HERE. HE OFTEN STOPPED BETWEEN SONGS TO FURTHER UNITE THE SPECTATORS WITH THE BAND. IT WAS A GREAT NIGHT AND ATLANTIS PUT ON AN INCREDIBLE ACT.

THANK YOU ATLANTIS!!! Jim Gillan

## TENANT MANAGEMENT PROPOSAL TO BE PRESENTED TO O.H.C.

A very exciting proposal is being submitted to OHC on behalf of the tenants of Regent Park. The details are to be found in Face to Face column on this page. You will notice that Mr. Rose's proposal is that the RPCIA undertake to participate in management in a number of areas has been considerably modified. The Management Committee which had many meetings over the summer felt that the RPCIA should get into management more gradually and is proposing that we undertake three responsibilities only - Unit Reps, Tenant Management Board and Tenant representation in OHC offices in Regent Park.

One point I would like to emphasize is that the RPCIA will not negotiate in any areas which come under union jurisdiction.

Another important point is that the RPCIA will not request funds for the Association (co-ordinator, secretary, office expenses, newspaper, etc.) as it is felt that the independence of the Association must be maintained. The contract will cover management services and fees only.

Tenants participate in management in many projects in the U.S. but only one project in Canada, Little Rock, B.C., has made any progress in this area. Tenant participation in management, in my opinion the only way we can effectively solve the problems that have plagued our community for so many years. We are committed to the principles

- that it is desirable that tenants have some control over events and decisions affecting them.
- that it is in keeping with the democratic process that tenants have this opportunity to participate in management of their project.

I sincerely hope Ontario Housing is committed to these proposals as well.

I was very proud to attend the National Convention of the Public Housing Tenants in Quebec City over the Labour Day weekend. I was one of 250 delegates who represented 400,000 public housing tenants across Canada. One of the aims is for uniform rent scales across Canada with grievances procedures for tenants. It was a great experience for me and I will report in more detail at the October Tenants Meeting and in the next issue of the paper.

JANET ROSS WAS ELECTED 2nd VICE PRESIDENT OF THE R.P.C.I.A. MEETING Sept 18. SHE REPLACES JIM GILLAN WHO NO LONGER LIVES IN REGENT PARK BUT IS STILL WORKING WITH THE TEN CENTRE.

## TENANTS, ONTARIO HOUSING CORPORATION. FACE TO FACE

### LANDSCAPING BEGINS IN NORTH REGENT

In the month of August the Lakeshore Landscaping Associates began the landscape improvements for stage 1A. This phase of the Regent Park Improvement Plan consists of construction of a wading pool and entry courts adjacent to the North Ice Rink. The construction of four entry courts in the vicinity of the swimming pool. The redevelopment and improvement of the Senior Citizens area and adjacent playground. Also included in these three areas are extensive tree and shrub planning. The aim is to have most of this completed before the cold weather sets in. Final touches will be done in the spring.

Final drawing are now being prepared for State 2A which includes "Five Saints Square" and Sackville Green, South Regent Park. These drawings are expected to be presented to the next Regent Park Technical Steering Committee meeting. Landscaping in Saints Square will not be done until next spring.

### HIGHLIGHTS OF R.P.C.I.A. PROPOSAL TO O.H.C.

At the May 22nd meeting of the Tenant Association Mr. Barry Rose, Property Manager of OHC presented a proposal to the Association concerning Tenant Participation in Management. Mr. Rose proposed that OHC is willing to enter into a contract with the RPCIA for a number of services - unit reps, laundry room attendants, ground keepers, part time elevator operators, etc.

A committee of seventeen tenants was elected to look into this proposal and to report back to the Tenants Association. The committee met over the summer months and has prepared a proposal to the September 18th. meeting. The proposal with two amendments was adopted unanimously by the meeting and will be presented to OHC within the next two weeks.

The highlights of this proposal are:

- 45 UNIT REPS FOR 32 BUILDINGS AND HOUSES  
10 FOR HIGH RISE BUILDINGS IN SOUTH REGENT  
8 FOR FOUR 6 STOREY BUILDINGS AND 23 FOR  
3 STOREY BUILDINGS IN NORTH REGENT

UNIT REPS WILL BE AVAILABLE TO TENANTS AT LEAST THREE HOURS DAILY.

IT IS PROPOSED THAT UNIT REPS BE PAID \$2.50 PER HOUR.

THERE WILL BE A THREE MONTH MANDATORY TRAINING PERIOD CONSISTING OF LECTURES ON HUMAN RELATIONS ADMINISTRATION, AVAILABLE SERVICES, MANAGEMENT, ETC.

- A TENANT MANAGEMENT BOARD TO DEAL WITH RENT ARREARS, EVICTIONS, LEASE TERMINATIONS AND OTHER GRIEVANCES. THE BOARD WILL CONSIST OF TEN TENANTS (5 SOUTH, 5 NORTH) AS WELL AS REPRESENTATIVES FROM OHC MANAGEMENT. THE BOARD WILL MEET AS OFTEN AS NECESSARY.
- TWO TENANTS TO BE EMPLOYED IN NORTH REGENT AND SOUTH REGENT OHC OFFICES. THESE PEOPLE WILL WORK AND CO-OPERATE WITH OHC STAFF. IN CASES WHERE A SATISFACTORY SOLUTION CANNOT BE ACHIEVED THE TENANT WILL BE REFERRED TO THE TENANT MANAGEMENT BOARD.

Tenants serving on the Board to be paid comparable rates as other OHC employees. The proposed budget is \$122,850.00 annually for Unit Reps; rates for members of Tenant Management Board and tenant office employees to be decided. There will be a 10% Management fee

## A SUCCESSFUL PROGRAM FOR TEENS AND SENIOR CITIZENS

COMMUNITY INTERAGE PROJECT - an Opportunities for Youth project, operating out of the OAK COMMUNITY SCHOOL site this last summer, was conceived in the main instance to offer programmes to a group of citizens perceived to be of times neglected or inadequately served by other agencies or institutions - Senior Citizens. We hoped moreover, not only to involve Senior Citizens in distinct activities designed specifically for them, but also to encourage their interaction and communication with younger members of the community including ourselves.

After some trial and error, weekly programs were started including, picnics, movies, trips, bingos, etc. Although we found that twelve weeks was not long enough to implement interage programmes, we had excellent response to the activities we planned for younger and older people. We feel we established core groups of interested people from both age groups which a successful interage program could be established. The Oak Citizens Committee is now in the process of seeking funding for a project which includes continuing the work which we were able to accomplish. We laid a foundation which they wish to build upon. We feel they deserve the community's support.

THE ADULT DROP IN CENTRE at 605 Whiteside Pl. is the best community project that was ever started. Do you realize how much better a 'community' project it would be if more people turned out? There are endless possibilities for someone to introduce new card games, meet new friends, suggest new ideas and maybe even some sort of a contest for the centre. But we need more people to come to the Centre and enjoy the facilities we have now and maybe when they feel at home (which is usually on the first visit) they, themselves can get involved and give suggestions as to how the centre can be run better, or if any new games can be added. There may even be a better idea as how to arrange the games and furniture better. We need your ideas and your help. We need to feel that we are helping to give you some enjoyment out of life.

How can we know if we are good at helping to give people a good time if you don't come to the Centre and let us know?

Now to end! Just a reminder that the Adult Recreation Centre has twelve programs starting this fall. Join one or all for just \$1.00.

# 7 NEWS to canvass ward Seven door to door to raise \$14,000

For the first time in the history of Ward Seven, a community organization based within the Ward will conduct a ward-wide door to door canvass to raise funds.

The Board of Directors of Seven News, Inc. made a decision to conduct a canvass early in August after a number of meetings with community leaders and after evaluating the results of a questionnaire on the subject printed in SEVEN NEWS.

The RPCIA has been approached for its help with the Fund drive. At the September 11th Council meeting of the RPCIA the proposal to canvass in Regent Park was supported upon two conditions. It was stressed that full approval could only be obtained from the General membership and that if approved the canvass must work closely with the Lottery Committee to lessen any conflict with the RPCIA fund raising campaign. Area captains for Regent Park will be Minnie Nicholson for South, and Betty Strand for the North. Canvassers are now being sought for the ten day drive - September 22 - October 1st. Anyone interested should please contact the area captains or Jeff Gottschalk, Campaign Co-ordinator at 920-8633 for further information.

The support of the entire Ward is needed if the drive will be successful, and it is hoped that our Ward paper can be expanded and still continue to be distributed free to area residents.

The target figure for the SEVEN NEWS Fund Raising Campaign is \$19,000. of which \$14,000 will be raised through door-to-door canvassing within the ward. All funds raised, over and above campaign expenses will be used to pay staff salaries and any losses the paper might incur during the year of publication starting with September.

THE GENERAL MEMBERSHIP MEETING OF SEPT. 18th UNANIMOUSLY ENDORSED THE WARD SEVEN NEWS CAMPAIGN.

## Unit Rep of the Month

Mr. Ozzie Smith  
14 Blevins Pl. #710

Mr. Smith has been a Unit Rep for the past eight months and thoroughly enjoys helping people. He has resided in Regent Park for a period of approximately two years. He and his wife have four children, ranging from 9 to 1 year old.

Ozzie likes sports of any kind. He feels that people would be closer if they joined in more of the activities. Although he admits that the two years he has been at 14 Blevins Pl, the building has improved considerably. All that needs to be done is to get all the tenants in their building to help clean up, as it is too much for one person. He feels that there should be more than just one person in the building helping with the responsibilities of Unit Rep., and that OHC could help more efficiently with problems. He feels that the maintenance men are really great in getting their job done. Mr. Smith said one thing that has been heard before, but I don't think anyone in Canada really took notice, so he changed one word,

"Ask not what your community can do for you, but what you can do for your community".

by Shannon Bates.

## POET'S CORNER

Beautiful Rain

When the earth is hot and arid,  
And all seems so disdain.  
When the grass is brown and harried  
Then we all must plead for rain.

Rain, beautiful rain,  
It's so long since you came.  
Just when so much we need you,  
How nice for you to come again.  
Feed our brooks and rushes,  
Violets and daffodils,  
And the rose that blushes.

And when you've served your purpose,  
Go within your clouds again.  
And please do come back some day,  
O'dear and beautiful rain.

In the final playoff game ANDY'S OUTLAWS jumped into a 14 to 0 lead in the first inning over the CLYDES K.O'S. The K.O's did not seem to have the spirit that they had during the regular season games, but they gave it a good try as they fought back to bring the final score 14 to 20. But darkness of the night prevented them from over taking the OUTLAWS. Edie Gray looked good out in centre field for the K.O's as did T. Dusome behind the plate for the OUTLAWS. K. Moore was tops once again with her fine pitching effort on the mound.

Now come the banquet. Congratulations to the managers and coaches of all the teams this year and also the players.
