- Resolutions:

- See enclosed re: Drugs & MATN

- Noon Lunch will be brought in

- 2:00 pm A CRITICAL LOOK AT PREVENTIVE MEDICINE

(In a number of our resolutions preventive medicine has been considered a necessary and undisputed part of our platform on health care. This afternoon session is an attempt to challenge these assumptions by showing the complexities of the issues and, perhaps where we need to, reassess our views.)

PANEL:

John Frank, Assistant Professor, Community Health, University of Toronto.

P.O. BOX 366, STATION 'J', TORONTO, ONTARIO M4J 4Y8

Gord Guyatt, Assistant Professor, Clinical
Epidemiology and Biostatistics,
McMaster University

Fran Scott, Resident, Community Medicine

- 4 - 5 pm Resolutions Discussion.

(A DINNER WILL BE ARRANGED AT A HAMILTON RESTAURANT)

NOTE: Realizing that October 22nd is DISARMAMENT DAY, with marches going on across the country, the MRG will be sending a representative to the Hamilton Disarmament march to read a letter of support from the MRG. This march will take place from 10:00 to 12:00 noon, in Hamilton.

Also, in the evening, there will be a Disarmament Benefit Dance which all MRG members are encouraged to attend, after dinner.

Tickets are \$5.00 for employed persons; \$3.00 for students. It's called "Ban The Bomb Boogie"!

- * WENTWORTH MAIN LOUNGE is close to the Medical Centre on the McMaster Campus - a map is enclosed for your direction.

RESOLUTION # 1: as published in the September NEWSletter, first sentence should have read: "Whereas the prices charged for drugs by the multi-national drug companies are excessive, and..."

1983-84 MEMBERSHIP DUES: The September NEWSletter included a Membership Dues Form. Have you sent yours back to the MRG yet? For your added assistance, see below for your renewed and/or new membership.
